

Honor Guard Residential Business Services

Mission

Primarily our mission is simple: ***Connect & Support***

- ***Connect*** with legitimate U.S. private home residents to share information crucial to making more discreet home maintenance and improvement decisions.
- ***Support*** our citizens by every legal means permissible through being proactive and responsive to their related inquiries and reasonable requests customized to their situations. To this effect, we will always provide the following major online/offline services free of charge to our constituency of American private home decision makers, and of those with related aspirations:

Free Advice; Free Consultation; Free Support
